The tradition of handcrafted Higashi sweets goes back for hundreds of years to the beginnings of the Edo period. Crafted by master artists these pieces are ceremony with you and looking out on elegant artworks.

For those centuries only humans have been able to enjoy those elegant desserts, but no longer. Your canine companion can enjoy the same luxury you have. For those whose dogs are discerning artists, you know what I am talking about. Your dog does not deserve factory made treats canine can be assured that he or she is with bland looks and bland taste.

Our dog treats are hand crafted in the finest tradition. They are of exceptional

quality and the finest organic ingredients. Your doggie will be overcome with the moment and feel like enjoying tea the Zen garden. Maybe your dog will not pee on the Bonsai anymore.

At Shiba Inu Dog Treats we cater to the most intelligent dogs with discerning taste. Master taste tester Rocket the Dog inspects all treats before being shipped out and tastes a sample of each so your getting only the highest quality Higashi shaped dog treats.

The Branding Guide:

The Rules

Logo placement is a very important aspect of Rocket the Dog Higashi Canine Treats. Place the logo lovingly like you place a baby in a bassinet. Elegance is your main goal in placing the logo. Make sure to ALWAYS place the logo on the LEFT side NEVER the right side of any composition.
